**Arnau Estudi d'Arquitectura**  
Principal Architect

**Arnau Vergés Tejero**  
Founder

About three hundred years ago, someone built this humble house in a narrow plot located in a steep alley. Someone who took humility and local building tradition as arguments to erect a fine building, made with materials from own site, clearly and easily organized and supported with great uniformity of structural resources. After being use as a as home for several families and generations, our enthusiasm in facing the project was to recover those essences, still presents but already blurred,...
